Instructions for Circulating Petitions

Thank you for helping to get Tom Hundley, Dawn O'Brien, and Maria Reyes on the April 2023 Ballot. In order to make sure that every signature you collect can count, please be aware of the following considerations:

- **Please do not number the pages.** Our campaign will number all of the petition sheets right before we file them.
- In order to circulate this petition, you must be at least 18 years old (or 17 years of age and qualified to vote in Illinois), and a citizen of the United States.
- You may not circulate this petition if you have circulated a petition for an independent candidate or for another new political party in this election cycle.
- **Each person signing the petition must do so in the circulator's personal presence.** A petition sheet can only have one circulator. If someone else would like to circulate a petition, please give them their own sheet. Partial sheets that contain fewer than 10 names are perfectly acceptable as long as the affidavit at the bottom is completed and notarized.
- Petition signers must sign their own name and should not print their name unless that is how they routinely sign legal documents. A petition signer may sign only for themselves and not for their spouse or other relative.
- All petition signers must be registered voters residing in the Village of Addison. Residents of the unincorporated areas of Addison are not eligible to sign this petition.
- A petition signer may not sign nominating petitions for candidates of any other new political party in this election cycle.
- After you have obtained as many signatures on a petition sheet as you can, please complete the affidavit at the bottom and sign it in front of a notary public. The petition sheet is not valid unless your signature is notarized. Once a petition is notarized, you may not make any changes to it or allow anyone else to add their name to the petition.
- Notarized petition sheets should be mailed to the following address by December 1, 2022.
